Revenue and General departments

Sir,

I have the honor to state that certain Quarters of the town of Kolar, were formerly supplied with drinking water by a system of Karanjies, which have however been in disuse for some years past. As most of the wells in the town are dry, and the pipe system has not yet been extended to all parts of the town, it was resolved at the Municipal meeting, held on 28th February 1903 to try and restore these Karanjies to working orders.

I request that you will be so good as to obtain the sanction of Government for the enclosed

reappropriation statement for putting those Kuranjies in order, estimated at Rs 147/- as no funds are available under "Public Works.

I have the honor to be
Sir
your most obedient servant
